A local council must prepare a report for any financial year in which it receives CIL 'neighbourhood funding'. A local council receives 15% (or 25% if it has a Neighbourhood Plan) of CIL receipts for its area and must use CIL receipts passed to it for (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or (b) anything else that is concerned with addressing the demands that development places on an area.

This report should be published by the local council

(i) on its website;

(ii) on the website of the charging authority for the area if the local council does not have a website;

and send a copy of the report to the charging authority from which it received CIL receipts, no later than 31st December following the reported year
