These resources may prove useful following the Internal Auditor's report, should further action be required in relation to Assertion 10 of the AGAR.

8. Community Infrastructure Levy (CIL) Projects

The response from the Village Hall Committee regarding suggested CIL expenditure at the Village Hall and Fairfield Green was discussed. It was agreed to offer up to £5,000 of CIL funding towards a project that benefits the community, to be identified by the Village Hall Committee. The Parish Council will approve the final project to ensure compliance with CIL regulations and will then purchase any equipment.

9. Report from the latest Sizewell forum

Cllr. Montgomery shared some frustrations about how the forums are run and noted that a response to an email sent several weeks ago is still outstanding. She will forward the correspondence to the clerk who will raise the matter with another Sizewell representative who is normally very responsive.

10. Consider correspondence received:

Invitation to join Suffolk Parishes Road Safety Group– it was agreed to join this and members agreed that it sounded like a very worthwhile initiative.

ESC Clerk’s CIL checklist- this was noted and it should assist completion of the annual CIL return.

East Suffolk Design Code Engagement Workshop 18th March– Invitation to Town and Parish Councils- noted but on the same evening as this meeting.

East Suffolk Planning Alliance (ESPA) newsletter, meeting notes and AGM at 2pm on Saturday 18th April- Cllr. Montgomery will try to attend the AGM

Invitation to Community Partnership Forum on 17th April – noted.

Request for the Council to raise awareness of or donate to *Lighthouse Women's Aid* charity– it was agreed to donate £100 to this project. Members noted their allocation for donations for the financial year had been fully committed but wished to support this charity and agreed that the funds can be used from general reserves using Section 137. It was agreed to discuss the policy for charitable donations further when considering the next budget.

A Thank you card from St Elizabeth Hospice for the Council’s recent donation- noted.

11. Parish Councillors’ reports on any actions

Cllr. Perry expressed frustration that the required pole upgrades for the Speed Indicator Devices have still not been completed, despite having been ordered a year ago and the clerk continuing to chase this. It was agreed to raise this as a formal complaint with Suffolk County Council.

Councillors discussed challenges faces by several local Councils in recruiting a full complement of Councillors. It was agreed that there could be some benefits in smaller Councils combining or sharing resources, such as clerks, which could also reduce costs. The clerk advised that this can only be done through a Community Governance Review conducted by East Suffolk Council and she will circulate further information on this to Councillors.

Cllr. Perry raised concerns about the poor condition of the village sign and it was agreed that purchasing a new village sign could be a positive community project funded through CIL.

12. Next meeting

This was confirmed as Wednesday 20th May 2026, which will be for both the Annual Parish Meeting and the Parish Council’s Annual Meeting.

There being no further business, the Vice-Chair thanked everyone for attending and closed the meeting at 8.30pm.
